Welcome to our 66th Annual Horse Sale!

Thank you to all of our repeat buyers that have been coming to our horse sale for many of the 66 years! This definitely reinforces the confidence that we are producing a product that works and is liked by our customers. If it wasn’t for you, we would not be able to raise and sell quarter horses. Also, to the new customers, we wish success and satisfaction in your purchases so we keep seeing you at future sales.

The sale this year, We, along with our consignors, once again, are offering a fantastic selection of weanlings, yearlings, young riding horses, finished ranch horses, and some very nice broodmares. Anyone that buys a broodmare can have her preg tested by the vet at the sale at their expense. If she is open we will refund your money and pay vet expense.

As in the past we will be selling the weanlings sired by Cant Kick This Cat as choice of two. We will lead two in the ring and sell buyers choice and take the remaining colt home.

We look forward to seeing and meeting as many of you as possible at the sale. Also, the door is always open at the ranch!

If you are ever in the area or want to look at horses, feel free to stop in!!! Thank you for your support and interest!!

Whiz My Nu Chex has NRCHA earnings with limited showing. “Tennessee” has performed in the arena but, he also knows what a hard day as a ranch horse is about. He has gathered cattle in rough country and has drug calves to the fire at brandings.

His sire, Topsail Whiz, is the NRHA’s only Ten Million Dollar Sire, NRHA’s #1 All Time Leading Sire, NRHA Hall of Fame, and the Sire of Four Million Dollar Sires. His grandsire, Nu Chex To Cash, is the AQHA #1 all time reining point earner and the only horse in AQHA history to win both reining and working cow horse high point titles the same year.

“Tennessee” has shown us cow sense and supreme athleticism, two things that we want our horses to have. Plus, he is always a gentleman!! His colts have been good to work with and we are excited about their future! 5 Panel N/N.

Lonestars is a stallion we purchased in 2014 as a two year old. We are very excited about the potential of this young stallion’s offspring.

Lonestars is as royally bred as they come. He is an own son of One Time Pepto who has been a Top 5 sire in the NCHA and #1 sire in the NRCHA each year since 2010 (his first foal crop).

His dam is Starlights Liz, a legendary mare in the performance horse industry. She has produced over $500,000 worth of NCHA earners and is one of, if not the, top Grays Starlight daughters of all time.

Lonestars combines that pedigree with tremendous conformation. He has a beautiful head and neck, deep cinch, and great structural correctness. He rides very well and was trained and shown in reined cow horse by $1 million rider Boyd Rice.

Take a look at this guy's pedigree! One glance and you can see "Chase" is bred to perform! His sire, Reckless Guy is a proven barrel sire of barrel racing futurity finalist at Old Fort Days and OKC - Guys Streaking Six, as well as numerous open barrel racing winners. Chase is also an own grandson of Frenchmans Guy - All Time leading barrel sire with progeny earnings now exceeding $11 million. His dam, Chase This Ivory, SI 93, earned $19,138 on the track and is an own daughter of the great Ivory James. Ivory James, has a SI 103/AAAT on the track and has impressive earnings of $220,026 - he is the #2 all-time sireing son of Corona Cartel and is the Top 15 Living Sire of Money Earners (over 11.6 million).

Chase is broke to ride and has been ridden on the ranch. We enjoy his quiet nature, intelligence, smooth gait, and ability to go all day when being used. This year is his second foal crop, and we are pleased with what the outcome of crossing him on our foundation mares has been. His offspring have a smooth, athletic build and move the way we like. They are easy to handle and have willing dispositions. We look forward to this young stallion's future foal crops! 5 Panel N/N.

We sold Playlight in 2017 but we still have several of his daughters as broodmares and some of his colts in this sale. He has been ridden in parades, flagged on at rodeos, and has drug calves to the fire at brandings. Playlight is a great combination of athlete and gentleman. His colts are very versatile. Whether you want to win in the arena or go do ranch work all day on one, his foals can make it happen. Playlight is a great looking horse and has a rock-solid pedigree to back it up.

Playlight was a performer himself! He has earned his register of merit in both heading and heeling, totaling 19 performance points. His sire, Grays Starlight, is a $1 million sire in three different disciplines; NRHA, NRCHA, and NCHA. Grays Starlight is one of only two horses to claim this honor. Playlight’s dam, Play Miss Hickory, is an own daughter of Freckles Playboy and has earned money and produced money-earners in the NCHA.

Smart Little Finch is an own son of Smart Little Romeo who competed in the NCHA Futurity. “Romeo” was leading the SD Cutting Horse Association in the 4 year-old division at the time of his death. Krogs Roan Lady was used in 4-H and on the ranch. She also performed in some ranch cuttings. Sizzling Bar was an all around rodeo mare that performed in calf roping, dogging, barrels and poles! Majestic Spinner was also used as a ranch horse and his disposition and smooth way of traveling is a great addition.

The ancestors in this package have been great horses to ride so it is not an accident that “Finch” and his colts are quick movers and watch a cow. Finch is very friendly towards people and can be caught about anywhere! We sold “Finch” in 2017, so this will be his last crop of foals for us.
Our stallion Peptos Pretty Spoon (Pepto) is a 2008 Red Roan by Hes A Peptospoonful. Hes A Peptospoonfull was lost in 2013, but at this time is over a 3 million dollar sire. In 2011 he was in the top 10 NCHA leading sires and a NRCHA all time leading sire. He had a lifetime earnings of $72,851. The dam to our stallion, Another Pretty Pep has sired many NCHA money earners and has a lifetime earning of $9,300. "Pepto" is broke to ride and has been used to gather cattle and some roping. He’s very nice to be around and has thrown colts that are easy to work with. Buyers that have rode his colts say they are “well liked and cowy”! We have seen the same in the ones we have started! For more information call 605-669-3057 or 605-530-7084. 5 Panel N/N.

Our new stallion “Badger” is a super individual. By Rey’s Dual Badger, 2006 NCHA Horse of the Year with LTE of $313,563 and considered a 3 million dollar sire. His dam, Playin With Fortune is a NRCHA money earner also. This guy is well broke and has a super disposition with not a mean bone in his body! We are really liking these first colts out of him with the disposition, color and style! Badger was training with Ryan Crawford in Ft Collins CO but due to other issues, we chose not to show him. We are excited to see how the cross on our Peptos Pretty Spoon stallion will turn out. Tested 5 panel N/N.

This stallion has a kind and friendly disposition and throws that in his offspring. He’s a color producer for sure, as you can see in some of the buckskins we have here! He was typed and is not able to throw the sorrel gene! He was not broke as he was hurt when young and we felt his leg could not withstand riding. He has a good, solid ranch horse pedigree and throws good bone and sound minds! This stallion is in the sale this year. 5 Panel N/N. For more info call 605-669-3057 or 605-530-7084.

Lenas High Brow Cat

We purchased Lenas High Brow Cat on the 2015 Krogman Sale. We bred a few mares to him last year and are offering three of his 2018 foals on the sale this year. He has a wonderful disposition and conformation with a lot of bone and good feet. His pedigree speaks for himself with many high earning performance horses in his background. We are excited about his future and his first foal crop is exceptional! For more information call Dennis Mietzner at 308-991-5769.

Smoke has limited showing with champion and reserve champions placings at Region 2 shows. He passes on his great disposition and conformation on to his offspring. His colts are smart and easy to handle, always willing to learn. His oldest colts are in training now. He has a lot of high dollar money earners in his background such as CD Olena, I CD Cow, Mr Gunsmoke, Doc Tari, Doc Olena, Colonel Freckles, Doc Bar and many more. Cutting, reining, reined cow horse, ranch and performance bred.

A big, good looking “Cat” gelding. He has brains, athletic ability and is really nice to handle. Lots of potential here!
One of the best colts in the sale. This guy has all the eye appeal and pedigree to take your program to new levels.

This is a pretty chestnut filly. Riding a 2 year old full sister and she is a dream.

Halter broke and gentle. Ultra sounded in foal to Whiz My Nu Chex for a 2019 foal. Her exposure dates are from March 20 to April 20, 2018. To our knowledge she has not been rode.

This gal is out of a big black mare we rode on the ranch before she became a broodmare. Her colts are athletic and fast! She was born during a blizzard and is a survivor! A pretty cool looking filly!

This filly is well put together and will be very athletic. GS Buck Cody is very quiet and his sire Premium Buck is sire to 5 World Champions in the FQHR. On the dam side there is Soda Pep and Mr San Peppy. Consigned by Dennis Read - 402-981-0141

A classy Playlight stallion! He was really nice to handle when we halter broke him.
Buy this palomino "Cat" filly. She has a good mother and will be a big mare.

With CD Olena and Smooth As A Cat on the bottom makes him a great show prospect!

A good-boned, thick made colt! Pretty attractive pedigree if you want to buy something to ride.

There aren’t many people who are apart of the South Dakota Rodeo world that do not know “Roany.” He has made himself known by first taking Taryn Sipple to NHSFR and CNFR in the breakaway roping and also Savannah Krogman to NHSFR in 2017 in the breakaway. Roany is 23 years young and still has that “pep in his step” when he knows it is time to go to work. Roany is not for a beginner roper due to his unqiue quirks. He would make a great ranch horse for an experienced kid.

This is a 3 year old ranch gelding. He has been used on the ranch, sorted pairs, pushed cattle into tub or loading chute, has roped a few calves in the pasture and drug some at brandings. He has handled all of the above in a quiet and calm way and has plenty of cow. He will be one of the horses used to take cattle out of the arena and the White River Frontier Days Rodeo. He has a full sister in the sale. Consigned by Jensen Quarter Horses - 605-259-3240.

I can’t say enough about this good gelding. Rio has been used to do day work, done all the ranch chores, used at the feedlot and sale barn, hauled to ranch rodeos, and picked up some broncs. He has roped a lot of cattle outside and drug a ton of calves at brandings. He has a big motor and rides really good. He’s really quick footed, can run a ton, and good enough to take to the roping pen and win. Consigned by Robert Cox - 402-322-1539

This is Ebonys first colt and he is mighty fine. Ebony was rode as a 2 and 3 year old and was very easy to get along with. Zips Nelly was my main rodeo horse for barrels and poles. She was also VERY cowy and would not let one get away. This colt should be a riding machine!
This is a chance to purchase one of the nicest stallions that is beautiful and throws colts with great disposition, confirmation, and are soooo trainable! This boy is a great pasture breeder, easy on mares, and loves people! Not a mean bone in him!! We didn’t break him as he was injured when he was younger and felt he may not hold up under riding but we haven’t seen any issues with him as he’s gotten older. He is DNA tested, 5 panel N/N and has been color tested to not be able to throw the red gene, so he will only have buckskin, dun, palomino, perlino and bay. No sorrels! We hate to sell this guy, but getting limited on pasture and time for quite so many. This is an opportunity to own a really nice stallion that will fit on about any bloodline. "Tex" is a true black gelding that is well broke and very solid. He's about 15-2 hands and has no buck, bite, or kick. He can sit over the winter and still ride out. He is a go getter! He doesn't tire out and likes to be first. He's been used several years on the ranch, roped a few calves. His need to always be in front might scare a timid rider so not for beginners. Nice to be around on the ground. Recently dewormed and had his teeth done last fall. We are selling due to having several young ones to ride and just don't really need another one sitting in the pasture that someone could use! Don't let his age scare you, I'm sure he has several good years left! Consigned by Buxcel/Barnes Quarter Horses, call 605-669-3057 or 605-530-7084.
