Mare Owner agrees to pay the Breeding Fee of \$1500, which includes:

- Booking Fee of \$500 (Due upon receipt of contract. Non-transferable/Non-refundable and applies ONLY to the calendar year)
- Stallion/1st Shipment Fee of \$1000 (Due before any semen is shipped)

If this is a donated breeding, the shipping fee is due on contract payable to Joshua or Alyssa Hicks.

1. Mare Owner agrees to deliver a photocopy of both sides of Mare's registration papers. A copy of the mare registration papers, with current owner listed or lease agreement must accompany contract. The owner recorded on the registration certificate will be recorded on the stallion breeding report. If breeding a thoroughbred mare, an AQHA "T" number is mandatory for registration. Booking fee is payable to Joshua or Alyssa Hicks with signed contract. Mare Owner agrees to pay Joshua or Alyssa Hicks the remaining \$1000 for the Stallion/1st Shipment fee. No semen will be shipped until contract, registration papers, and fully paid Booking and Stallion/1st Shipment fees are received by Joshua or Alyssa Hicks.

2. Breeding Fee does entitle Mare Owner to Live Foal Guarantee. Mare Owner is entitled to ONE "live foal" conceived from this breeding that will stand, nurse, and live for 72 hours after foaling. If mare is found not in foal, or delivers a stillborn, Mare Owner is allowed a Rebreed Contract if Joshua or Alyssa Hicks is notified within (30) days of discovering the mare is open or foal is stillborn. With the notification there must be a written statement from a licensed veterinarian provided to Stallion Owner. A Re-breed contract will apply to the following breeding season ONLY and the Stallion/1st Shipment Fee will be non-refundable. Mare Owner will be responsible for shipping fees for re-breed contracts. Any mare that is a re-breed **is required** to have a clean/negative culture and cytology before any semen will be sent. If the Mare Owner fails to rebreed the following year after original contracted season, any and all fees become forfeited, the right to rebreed is cancelled and the stallion owner is released from all further obligation of this contract.

3. If Mare Owner needs to change which mare they are going to breed, a new contract must be signed with replacement mare's name and registration number. Mare Owner may not assign this breeding contract or substitute any other mare under this agreement without the prior written consent of the Stallion Owner. Any attempted assignment without prior consent of Stallion Owner will, at the option of Stallion Owner, terminate this agreement and release Stallion Owner from all obligations hereunder. There will be **NO REFUNDS** given on any fees associated with this contract.

4. For cooled semen shipment, the Stallion Owner agrees to ship 1 breeding dose for the above listed stallion per contract. The dose will be shipped from KROGMAN QUARTER HORSES to Mare Owners designated receiving facility.

For frozen semen shipment, the Stallion Owner agrees to furnish 2 breeding doses (5 straws per dose) for the above listed stallion per frozen semen contract. The doses will be **SHIPPED TOGETHER** (10 straws per shipment) from KROGMAN QUARTER HORSES to Mare Owners designated receiving facility.

If further shipments are necessary past the 1st agreed upon furnished dose/s, the Mare Owner will be responsible for shipping costs of additional dose/s.

For purposes of this agreement, unless otherwise specified for a particular Stallion, the breeding season shall begin on February 1st and close July 15th of the year of this agreement. Due to stallion location and strong possibility for extreme cold weather, frozen semen only will be available February 1st – April 15th. Cooled semen available April 16th – July 15th.

9. It is further agreed that if the mare dies before producing a live foal or becomes unfit to breed before being pronounced safe in foal, a substitute mare will be allowed for the current breeding season or the following season only. No Fees will be refunded.
